## **South Jackson Goes Green: Making Green A Routine**

**Jackson, MS - March 26, 2013:** The We Make It Better Foundation, in partnership with the Mississippi Department of Environmental Quality (MDEQ), Office of Community Engagement, will host *South Jackson Goes Green: Making Green a Routine – Community Recycle Day* on Saturday, April 20, 2013 at New Horizon International Church International, 1770 Ellis Avenue, Jackson, Miss. This event will take place on the parking lot from 9 a.m. to 1 p.m. It is free and open to the public.

Through our partnership with MDEQ, it is our hope that we will bring awareness to South Jackson citizens regarding the importance of recycling. Participants will learn about recycling, enjoy recycling games, and be exposed to our unique group of vendors-all in observance of this year's upcoming Earth Day.

If you need more information on this event please contact Stacia Hunter, Executive Director of the We Make It Better Foundation at 601-371-1427, Ext. 314.
